2024

## By 2030, U.S. manufacturing will experience a skilled workforce shortage of approximately 2.1 million

(Deloitte, 2021)

#### ABOUT AWT FOUNDATION

The Alliance for Working Together (AWT) was started in 2002 as a small group of manufacturers, who met to discuss topics of interest and best practices. Finding skilled workers was quickly identified as one of the top challenges for our manufacturers. Promoting rewarding careers in manufacturing became the core mission of the organization and in 2012, the AWT Foundation became a 501(c)3 non-profit. Since then, the AWT Foundation has grown to 500+ manufacturers, community organization, and educational partners. AWT provides several Science, Technology, Engineering, and Mathematics; STEM-to-career educational, pre-apprenticeship, and apprenticeship programs for the manufacturing community.

#### AWT APPRENTICESHIP PROGRAM

AWT provides Department of Labor and Ohio Department of Job & Family Services (ODJFS) recognized apprenticeship programs for manufacturing occupations including: Tool & Die Maker, Mold Maker, Precision Machinist, Tool Programmer Numerical Control, and Quality Control Inspector. We have created pre-apprenticeship pathways for area CTE and High School programs aligned to the AWT Apprenticeship. All of AWT's apprenticeship programs are approved for reimbursement of up to \$2,000 per year of the training costs through the Ohio TechCred initiative. The AWT Apprenticeship program received national attention when Department of Labor Secretary Scalia visited AWT on Sept. 28th, 2020.

## By 2030, U.S. manufacturing will experience a skilled workforce shortage of approximately 2.1 million

(Deloitte, 2021)

#### **AWT NORTHEAST OHIO TRANSFORMATION TRAINING CENTER**

The AWT Northeast Ohio Transformation Training Center is a world class hub for workforce development, industry, and Manufacturing training. Since opening in October of 2022 this facility serves the region as a center for education and industry sector collaboration. The AWT Training Center addresses the gap in K-12 and adult new and incumbent worker training. This center provides the technically trained workforce area manufacturers need.

#### THE NUMBERS

75 AWT Apprentices training in the facility
26 Lake Shore Compact Advanced
Manufacturing Pre-Apprentices training in
the facility

**1,600+** people have visited the AWT Northeast Ohio Transformation Training Center since opening the facility on Manufacturing Day, October 7, 2022

150+ incumbent workers received credentials through short-term training in Blueprint, Geometric Design and Tolerancing, SolidWorks, GibbsCAM, Supervisory Training, and more

**1,800+** students have been introduced to opportunities in manufacturing through AWT SMI Camps, Think MFG Career Expo, RoboBots, and JuniorBots programs

**3,700+** individuals in our region receive information about careers in manufacturing and updates on programs available through AWT and our community and educational partners

**500+** member organization committed to supporting the future of manufacturing in Northeast Ohio through AWT programs by sharing their time, talents, and financial support

Manufacturing Careers Training Center	Community Resource Center for Careers in Northeast Ohio	Workforce Education Partnerships
Upskilling and Short Term Credentials	Pathways to Manufacturing Careers through AWT WorkAdvance	Lake, Geauga & Ashtabula Schools STEAM to Career K-12
Apprenticeship Program to Journeyman Certificate	Laketran AWT Go Program to combat transportation challenges	Lake Shore Compact Advanced Manufacturing CTE Program
College and Career Readiness	Laketran Bus Shelter on AWT property, the first on Tyler Blvd	ATech, Auburn, and Excel TECC Pre-apprenticeship Pathways
College Credit Articulation	Lake Erie College collaboration in applied STEM degrees	Lakeland and AWT Joint Training Programs
